

Belgrade Summer School 2010

Dear Student,

Welcome to Belgrade Summer School where you will meet and make friends with fellow students from all over the world. It is our pleasure to inform you that another Belgrade Summer School (BSS) takes place in Belgrade, Serbia, from 12 July to 8 August 2010 in two sessions.

BSS is an event gathering students and young people from the whole world around a common goal – improvement of communication in one of 10 languages (English, Spanish, French, Italian, German, Greek, Russian, Arabic, Chinese and Serbian) while getting to know Belgrade and Serbia, sites of great cultural and historical heritage. There are also English language professional development programmes (English for Business, English for Commerce, English for Tourism, etc.) All our lecturers are certified by the London Chamber of Commerce and Industry (LCCI).

BSS is a national event with international participation. The programme has been divided into Educational and Social parts. The first one comprises intensive language lessons (3 hours a day) whereas the second includes after class sightseeing tours as well as full day excursions and sports days, reserved for weekends.

The project has been implemented by the International Communication Fund (ICF), with the support of Ministry of Diaspora of the Republic of Serbia, City of Belgrade, the Tourist Organisation of Belgrade, Concord Language School, Glob Metropolitan Tours tourist agency and many other organisations and companies.

We wish you a warm welcome to Belgrade this summer. Thank you for joining us at Belgrade Summer School 2010, thus recognising our vision of Belgrade as an educational, cultural and tourist centre of South Eastern Europe.

We understand that your stay in Serbia is an important investment of your time, and your success is our primary objective.

We look forward to your visit.

Slavica Stamenovic, Principal
